## MEMORANDUM FOR THE RECORD

Contract No. SC-58, Lockheed Aircraft Corp., Burbank, SUBJECT: California, Project Dyewood 1B (AF) (AQUATONE).

- 1. This memorandum contains a recommendation submitted for the approval of the Project Director. Such recommendation is contained in paragraph 4.
- 2. Contract No. SC-58 covers the furnishing of technical representatives for the period 1 July 1957 through 30 June 1958 for the Air Force. Lockheed subcontracts with Lear, Inc. for furnishing Auto-Pilot Field Engineers. This subcontract expired on 16 July 1957 and Lear, Inc. increased the monthly rate for the renewal period. Therefore Amendment No. 1 has been prepared to show the increased rate for the period beginning 17 July 1957. The domestic rate results in a total increase of \$10 per month including a profit for LAC and \$74 per month for foreign service.
- 3. The total amount of \$56,000 allocated for this contract remains as originally stipulated.
- 4. Approval of this Amendment No. 1 to Contract No. SC-58 and execution thereof on behalf of the Agency by the authorised Project Contracting Officer is recommended.
